Portable Junior Basketball Set

HARDWARE

HARDWARE

PARTS

PRODUCT ASSEMBLY

Please retain these instructions for future reference.

1

Position the part I wheels and part E lower pole on the part J base. Slide the part A axle through the wheels and lower pole to secure them in place.

Attach the left and right lower brace (part B) to part J base and the lower pole with four part 1 bolt sets and a part 3 bolt set.

PRODUCT ASSEMBLY

2

Connect the part D middle pole to the lower pole with two part 4 bolts. Fill the base with sand or water. Note: Do not continue assembly until the base is filled.

PRODUCT ASSEMBLY

3

Fasten the part F net to part G rim, connecting each loop through a metal hook.
Secure the rim to part H backboard and part C top pole with four part 5 bolts.

NOTICE

- Please read all instructions before attempting to install or assemble this item. Assembly should be done by adults only.
- Firmly secure all screws before use.
- Reconfirm that all bolts, screws, and knobs are secure every 90 days.
- Product is intended for outdoor use.
- If any parts are missing, broken, damaged, or worn, stop using this item until repairs are made and/or factory replacement parts are installed.
- Do not use this item in a way inconsistent with the manufacturer's instructions as this could void the product warranty.

CAUTION DURING USE

- Do not hang from the rim or climb on the pole. Do not climb on the base or structure in general, as this could result in serious injuries.
- Adjustment and moving of the basketball set must be carried out by adults.
- Always check the unit to ensure the base is full of water or sand, and that all fittings and hardware are tight before each use.
- Always place the base of the set on a flat surface.
- Do not allow water to freeze in the base.
- The set requires two people for assembly.
- Check the base regularly for any leakage before playing.
